TEMPORARY BROW SERVICES

Pre-Care Guide

BEFORE YOUR APPOINTMENT

Temporary brow services are designed to shape, soften, lift, tint, and define your natural brows. Pre-care helps reduce irritation and supports an even result.

3-7 DAYS BEFORE

• Avoid strong retinoids, prescription-strength exfoliants, AHAs/BHAs, facial peels, and aggressive scrubs around the brow area before waxing or chemical brow services.

• If you use a prescription retinoid or medicated skincare, do not stop it without guidance from your prescriber; let your artist know before waxing.

• Avoid sunburn, tanning, or any treatment that leaves the brow area irritated, peeling, or sensitized.

24-48 HOURS BEFORE

• Avoid self-tanner around the brows, as it can affect tint colour and may create unevenness.

• Avoid heavy brow oils or occlusive products immediately before a lamination or tint service.

• Do not tweeze or wax your brows at home - leave the shape for your appointment.

PATCH TESTING & SENSITIVITY

Tell your artist about previous reactions to tint, hair dye, adhesives, waxing, or brow lamination products. Patch testing can be arranged in advance when appropriate.

DAY OF YOUR APPOINTMENT

• Arrive with the brow area clean and free of brow makeup when possible.

• Let your artist know about new skin irritation, cuts, breakouts, eczema/dermatitis flares, sunburn, or recent facial treatments.

• Bring inspiration if you have a preferred shape, tint depth, or lamination finish.

WHEN WE MAY NEED TO POSTPONE

Services may need to be adjusted or postponed if the skin is broken, severely irritated, freshly peeled, sunburned, or otherwise compromised. Your artist will assess the area before treatment.

APPOINTMENT DETAILS

A smooth arrival starts before you leave home.

BOOKING & APPOINTMENT POLICIES

- $50 non-refundable deposit is required to reserve your appointment and is applied toward the total service cost.
- Please provide 48 hours notice to reschedule. Late cancellations, no-shows, or changes with less than 48 hours notice may require a new deposit.
- Clients arriving more than 15 minutes late may need to be rescheduled if there is not enough time to complete the service safely.

PARKING & ARRIVAL

3 FREE HOURS
Register your vehicle as soon as you arrive using the lobby QR code or the registration link. Set an alarm before the 3-hour limit expires. Parking registration and monitoring are the client's sole responsibility. Eyeconique Beauty cannot monitor, extend, reimburse, or dispute parking notices.

Finding the parkade

Enter from the No. 3 Road / Cook Road side of The Paramount. Look for the black-and-gold "The Paramount" sign. Once inside, drive under the large Public Pay Parking sign, continue to the wall, turn left, and drive until the wall changes from dark grey to green. Park near the door marked "Exit to Bus Mall," walk straight through the five doors, and the building entrance will be immediately on your left once outside.
